CONFLICT OF INTEREST	None expressed.
<p>PUBLIC COMMENT Supervisor asked for special comments with regards to roads while GTCRC present</p>	<p><u>J. Gaskin</u>: Would like an update as to status of speed limit signs that were removed from Church and Vinton streets. There is confusion whether it is a County Road Commission or Michigan State Police responsibility.</p> <p><u>A. Fenlon</u>: Says she called while she was Deputy Clerk and found out the State deals with speed signs, and that having no speed limit signs is dangerous for residents and children.</p> <p><u>A. Boyd</u>: Encouraged residents to call Gaylord MSP post to help enforce speed limits on local roads</p>
<p>REPORTS Grand Traverse County Road Commission</p>	<p>Grand Traverse County Road Commission Manager Dan Watkins discussed excessive winter storms, recent flooding, equipment/materials usage and its effect on the budget. He also recapped recent damage to roads and demonstrated GTCRC website. Mr. Watkins addressed the Road Commission’s 2026 updated project list and discussed Cook/Skegemog Point Roads planned SAD project to start wedge and chip/seal in late May/early June.</p> <p>There was discussion regarding missing road signs and the speed study requests sent to him last year. He clarified that the MSP has authority over speed studies and setting these limits which are a long process.</p>
PUBLIC COMMENT 1st	<p><u>Mr. R. Steelman</u>: Agrees divisive subjects should not be on the morning meeting Agenda. Believes if the Clerk made a mistake, the Board should determine how to resolve it rather than incur more legal expenses. This causes decreased confidence with the public. The Clerk has a heavy workload and low salary. The Township has never owned a ticket book, demonstrating the lack of need for a Civil Infractions Ordinance.</p> <p><u>Mr. J. Zenas</u> read a comment on behalf of Ms. C. Hymore: Regarding the issue surrounding payment to the Clerk, she has not heard the Clerk did not earn the money. This could have easily been resolved at the conference table rather than spending \$7,000+ in attorney fees. Each Board Member is involved to some degree in monies paid out, yet no one flagged it. This is a process error. There is an internal leak of confidential information to the public and social media.</p> <p><u>Mr. J. Gaskin</u>: The Board voted to return to one meeting per month; however, chose the morning meeting rather than the evening meeting</p>

	<p>which is not convenient to the public. He is concerned for the safety of the Whitewater Township Board and staff and would like to see panic buttons installed. A plan should be in place to respond to potential attempts to disrupt the upcoming election.</p> <p><u>Ms. K. Mangus</u>: This morning’s meeting Agenda is not read as regular business items. Placement of the big screen TV is very poor; the public cannot view it during any presentations. The PC’s STR survey draft questions are inappropriate and designed to form or change opinions.</p> <p><u>Ms. J. Zenas</u>: The public paid substantial legal fees regarding the STR court case and deserves a formal disposition report from the 86th District Court beyond Mr. Mielnik’s reference to it in his PC report. She requested this information and transparent discussion. She also requested a summary from the Treasurer of the Township’s financials including explanations of items that do not balance, as well as, if there are missing monies.</p>
<p>WEBSITE PROPOSAL</p>	<p>Mr. Jim Sundberg of Brick House Interactive delivered a proposal to update and enhance the Township’s website. He explained the existing and proposed platforms and discussed ADA compliant requirements. There was extensive discussion with the Board. The Supervisor asked for Board Members to serve as liaisons between Mr. Sundberg and the Board during this upgrade. Clerk Hoeksema offered to assist.</p> <p>Ms. Slopsema made a motion to appoint Clerk Hoeksema to lead the website redesign and review progress with the Board each month. Mr. Mielnik seconded the motion. VOTE: YEAS: All. NAYES: None. Motion carried</p> <p>Ms. Slopsema made a motion to issue a P.O. to Brick House Interactive to redesign/upgrade the Whitewater Township website not to exceed \$3,000. The motion was seconded by Ms. Hoeksema. VOTE: YEAS: All. NAYES: None. Motion carried</p>
<p>REPORTS Fire/ EMS</p>	<p>Fire Chief Joshua Morgan briefly reviewed his packet report, which also includes a quarterly history. He recently attended a Command Officer Boot Camp conference. PUBLIC COMMENT 2nd	<p><u>Mr. R. Steelman</u>: Spending \$10k for speed signs is silly because the actual speed limit of Skegemog Point is 55 mph. A lighted sign indicating that limit doesn't make sense.</p> <p><u>Ms. J Zenas</u>; recognized Zoning Administrator Deb Graber for her work handling zoning and enforcement matters involving non-homesteaded properties. She requested greater transparency by moving the Treasurer's Report from the Consent Calendar to be discussed. She also commented on the ongoing Clerk matter, questioning a timeline of how the confidential information became public and suggested internal breach. She encouraged unbiased STR survey questions and broader public input methods for STR discussion and workshops.</p> <p><u>Ms. K. Mangus</u>: This was a long meeting that covered a lot. She opposes the elimination of Zoom and Public Comment; she doesn't know the status regarding the elimination of Zoom. She encouraged including the return of publicly posting submitted correspondence in the meeting packet and/or it read aloud at meetings.</p>
